December 1, 2022

7 PM - 8:00 PM

Praying with Lior asks whether someone with Down syndrome can be a spiritual genius. Many believe Lior is close to God -- at least that's what his family and community believe -- though he's also a burden, a best friend, an inspiration and an embarrassment, depending on who is asked and when. As this documentary moves to its climax, Lior must pass through the gateway to manhood - his Bar Mitzvah.
